From The Publisher

As we head into the cooler seasons, there's still plenty to see and do at Smith Mountain Lake in our 50th Anniversary year.

Go big game hunting with Dave Lortscher... meet the new Deacon at Resurrection Catholic Church... learn about the life and times of one of the area's most famous historical figures... and take a glimpse into the fascinating world of Barbershop Harmony.

To our many friends at the lake: Thank you for reading Discover; our mission is to provide you with interesting information about our wonderful community. If you're a visitor, we hope you enjoy your stay, and come back soon!
